

## **ADVERTISEMENT FOR BIDS**

### **NORTHWEST REGIONAL PLANNING COMMISSION MISSISQUOI VALLEY RAIL TRAIL CONCRETE SLABS AND RELOCATION OF A KIOSK**

#### **General Notice**

**Northwest Regional Planning Commission is requesting Bids for the construction of the following Project: MVRT Concrete Slabs (2) and Relocation of (1) Kiosk**

Separate sealed Bids from qualified contractors for Missisquoi Valley Rail Trail Concrete Slabs (2) and Relocation of (1) Kiosk will be received by Greta Brunswick, Senior Planner, Northwest Regional Planning Commission at 75 Fairfield Street, St. Albans, Vermont 05478 until **3:00 PM, MONDAY, July 18, 2022**. A public bid opening via Zoom will occur immediately after the bid submittal deadline.

The Project includes the following Work:

The additional amenities include 2 concrete slabs under picnic tables to make them easier to maintain and adjusting the location of one of the kiosks that was installed last season to prevent the snow plow from nicking it in the winter.

The Project must be completed by September 30, 2022.

#### **Instructions to Bidders:**

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Project Bid Documents.
