- Missisquoi Valley Rail Trail
- Northwest Vermont Regional Foundation, Inc.
- Clean Water Service Provider: Missisquoi & Lamoille River Basins

REGIONAL COMMISSIONERS

William Irwin & Linda McCall

TRANSPORTATION ADVISORY COMMITTEE

vacant seat

Northwest Regional Planning Commission (NRPC) is a governmental organization created by the municipalities of Franklin and Grand Isle Counties. NRPC implements a variety of projects and programs to serve local, regional and statewide needs. All municipalities in the region have two locally appointed members of the Board of Commissioners.

2025 BAKERSFIELD TOWN PROJECTS

- Provided technical assistance in local planning and zoning efforts.
- Supported the Town with writing a successful Municipal Planning Grant for a Town Plan update and contracted with the Town to complete the project.
- Conducted site visit related to a potential project to address water quality concerns.
- Coordinated with local officials and regional partners on securing an option agreement for the Brigham Academy property to be redeveloped into senior housing.
- Supported the Northwest Communications Union District, in which Bakersfield is a member.
- Assisted Bakersfield Conservation Commission with Community Tree Planting grant and with finding new grant opportunities for restoration of the historic barn on the village green.
- Assisted with implementation of the grant for energy efficiency improvements to public buildings.
- Completed a sidewalk inventory.
- Provided the 2025 VTrans Highway and Community Maps.
- Collaborated with the Planning Commission and Selectboard on regional future land use mapping for the 2026-2034 Northwest Regional Plan update, which will be the new process for maintaining Village Center Designation.

This year the Commission will assist our member municipalities with grant applications, project management, water quality project implementation, and local road permit compliance. NRPC will support local energy and climate planning, zoning bylaw updates, emergency preparedness, brownfields redevelopment and other needed services. NRPC will help promote the Missisquoi and Lamoille Valley Rail Trails and update its regional plan to support more housing. The Commission has no regulatory or taxing authority; however, each year we do request a per capita assessment in support of local and regional activities and to provide matching funds for state and federal programs.

Your continued support for NRPC is greatly appreciated. We are your resource – we are here to help with planning, zoning, transportation, project management, mapping or other needs.
