- Missisquoi Valley Rail Trail
- Northwest Vermont Regional Foundation, Inc.
- Clean Water Service Provider: Missisquoi & Lamoille River Basins

### REGIONAL COMMISSIONERS

James Ouellette & Jesse Woods

### TRANSPORTATION ADVISORY COMMITTEE

Joey Clark

Northwest Regional Planning Commission (NRPC) is a governmental organization created by the municipalities of Franklin and Grand Isle Counties. NRPC implements a variety of projects and programs to serve local, regional and statewide needs. All municipalities in the region have two locally appointed members of the Board of Commissioners.

### 2025 ENOSBURGH TOWN PROJECTS

- Provided technical assistance for local planning and zoning efforts.
- Completed an update of the Local Emergency Management Plan (with Enosburg Falls Village) which helps the town be prepared for future disasters.
- Supported the Northwest Communications Union District; in which Enosburgh is a founding member.
- Coordinated with the Planning Commission on final review of a unified Enosburgh Town & Enosburg Falls bylaw, prepared by a FY22 Municipal Planning Grant and FY23 Bylaw Modernization Grant. The bylaw focused on supporting growth in the Central Business and Commercial Districts and allowing for increased housing choice and affordability.
- Assisted with implementation of a construction grant through the Municipal Energy Resilience Program.
- Consulted with local officials, identified projects and provided technical assistance for Municipal Roads Grants-in-Aid construction projects.
- Provided the 2025 VTrans Highway and Community Maps.
- Collaborated with the Planning Commission and Selectboard on regional future land use mapping for the 2026-2034 Northwest Regional Plan update, which will be the new process for maintaining Village Center Designation.
- Completed traffic count on Chester A. Arthur Road.

This year the Commission will assist our member municipalities with grant applications, project management, water quality project implementation, and local road permit compliance. NRPC will support local energy and climate planning, zoning bylaw updates, emergency preparedness, brownfields redevelopment and other needed services. NRPC will help promote the Missisquoi and Lamoille Valley Rail Trails and update its regional plan to support more housing. The Commission has no regulatory or taxing authority; however, each year we do request a per capita assessment in support of local and regional activities and to provide matching funds for state and federal programs.

Your continued support for NRPC is greatly appreciated. We are your resource – we are here to help with planning, zoning, transportation, project management, mapping or other needs.
