Northwest Regional Planning Commission (NRPC) is a governmental organization created by the municipalities of Franklin and Grand Isle Counties. NRPC implements a variety of projects and programs to serve local, regional and statewide needs. All municipalities in the region have two locally appointed members of the Board of Commissioners.

### 2025 FLETCHER TOWN PROJECTS

---

- Provided technical assistance in local planning and zoning efforts.
- Updated the locally adopted Emergency Management Plan which will help the town be prepared for future disasters.
- Consulted with local officials, identified projects and provided technical assistance for Municipal Roads Grants-in-Aid construction projects.
- Provided the 2025 VTrans Highway and Community Maps.
- Collaborated with the Planning Commission and Selectboard on regional future land use mapping for the 2026-2034 Northwest Regional Plan update, which will be the new process for maintaining Village Center Designation.

This year the Commission will assist our member municipalities with grant applications, project management, water quality project implementation, and local road permit compliance. NRPC will support local energy and climate planning, zoning bylaw updates, emergency preparedness, brownfields redevelopment and other needed services. NRPC will help promote the Missisquoi and Lamoille Valley Rail Trails and update its regional plan to support more housing. The Commission has no regulatory or taxing authority; however, each year we do request a per capita assessment in support of local and regional activities and to provide matching funds for state and federal programs.

Your continued support for NRPC is greatly appreciated. We are your resource – we are here to help with planning, zoning, transportation, project management, mapping or other needs.
