Map to be provided

**Walk may end on Lavin Lane or Town Rec land on South St.

Join the conversation! Check out the property!

This project will develop a community-supported vision for how the Lavin Property can be used to benefit the public good and further the vision and goals of the Town Plan.

The Town of South Hero acquired the 96-acre Lavin Property in 2025, funded entirely by state and federal grants for the purpose of developing a community wastewater system. While a portion of the property will be used for a community wastewater system, it has potential to benefit the community in other ways as well. <https://southherovt.org/lavin-property-vision-project/>
