

Berkshire Planning Commission meeting notes from May 20, 2026, at 6:00 p.m.

Attendance: Margo Sherwood, Walter Elander, Russell Ford, Emily Klofft, Kristine Koch, Kenneth Sekuterski Jr., Shayna Sherwood, Jay Tremblay

NRPC provided an overview of the Mitigation Planning process, the previous mitigation plan and the state hazard mitigation plan. The review included an update on plan requirements since the previous plan.

The hazards were discussed and there was consensus the only revisions should be to the additional ones mentioned in the state plan. The group wanted to ensure the selectboard approved the planning commission's involvement in the plan update. NRPC will follow up with the Town Clerk.

Meeting ended approximately 7:00 p.m.
