- Lamoille & Missisquoi Valley Rail Trails
- Northwest Vermont Regional Foundation, Inc.
- Clean Water Service Provider: Missisquoi & Lamoille River Basins

REGIONAL COMMISSIONERS

Michelle Frennier & Lori Ruple

TRANSPORTATION ADVISORY COMMITTEE

Matt Gillilan

Northwest Regional Planning Commission (NRPC) is a governmental organization created by the municipalities of Franklin and Grand Isle Counties. NRPC projects and programs strengthen the capacity of local government and serve local, regional and statewide needs. All municipalities in the region have two locally appointed members of the Board of Commissioners.

2026 FLETCHER TOWN PROJECTS

- Provided technical assistance in local planning and zoning efforts.
- Coordinated a site visit for Grants-in-Aid funding and prepared pre-construction and post-construction reports for submission to VTrans.
- Completed a consultation of the municipal planning program.
- At the request of the Selectboard, completed traffic counts on several town roads to examine traffic volumes and vehicle speeds. Counts were completed on Fairfax Road, School Road, Buck Hollow Road, Fairfield Road, and Pond Road.

This year NRPC will assist our member municipalities with grant applications, project management, water quality project implementation, and local road permit compliance. NRPC will support transportation planning, energy planning and project management, zoning bylaw updates, emergency preparedness, and other needed services. NRPC will fund clean-up and redevelopment of brownfields sites and help promote the Missisquoi and Lamoille Valley Rail Trails. The Commission has no regulatory or taxing authority; however, each year we do request a per capita assessment in support of local and regional activities and to provide matching funds for state and federal programs.

Your continued support for NRPC is greatly appreciated. We are your resource – we are here to help with planning, zoning, transportation, project management, mapping or other needs.
